

Global Partner Solutions

AI FastTrack – Program Guide

Welcome to the program!

AWS AI FastTrack is a free, global hybrid learning program that helps AWS Partners build securely and sell generative and agentic AI solutions — faster, smarter, and at scale. It delivers curated, use case-driven training aligned to AWS field sales strategies, open to all AWS Partners worldwide.

Flexible learning formats

Self-paced digital courses and guided instructor-led training

Two role-based tracks

Technical (builders) and Business (sellers)

Certification-ready

[Free exam voucher opportunities](#)

From learning to building

[Free Kiro Pro License opportunities](#)

Who should participate?

This program is open to all AWS Partners around the world interested in learning AI skills applied to use case scenarios to help customers from both business and technical perspective.

How do I get started? Choose Your Learning Path

Path 1: Self-Paced

The base everyone follows

Weekly live sessions on RingCentral + Skill Builder at your own pace

[Business](#)

[Technical](#)

Path 2: Guided Hybrid

Deeper Learning

Everything in Path 1 + live [ATP instructor-led classes](#)

Certification Readiness

Go further and prepare your AWS Certification

Additional certification prep pathway — [prepares for AI Practitioner and AI Business Strategist exams](#)

We'll see you at the program kickoff

On Wednesday, September 2 at 9:00 AM PT

What should I expect each week?

Path 1: Self-Paced – The base everyone follows

Business Track

Date	Task	Description	Duration	Modality	Action
Week 1 (September 2 -11)					
Sep 2	Program Kickoff Keynote	Hear from the AWS leader behind AI FastTrack on why this is the moment for partners to own the AI conversation.	15 min	 Live in Ring Central	Show up in Ring Central Events

Certification Readiness

Go further and prepare your AWS Certification

Prepare for the AWS Certified AI Practitioner and AI Business Strategist exams with live, expert-led AWS Partner Certification Readiness (APCR) sessions. Choose the regional session that best fits your time zone and register below.

Note: The Asia-Pacific and EMEA sessions are hosted on the same registration page — select your preferred time zone there.

AWS Certified AI Practitioner

Region	Session Start (local time)	Registration link
 Americas	Mon, Sep 14 - 2:30 PM CDT	Register today
 Asia-Pacific	Mon, Sep 14 - 3:30 PM IST	Register today
 EMEA	Mon, Sep 14 - 12:00 PM CEST	Register today

AWS Certified AI Business Strategist

Region	Session Start (local time)	Registration link
 Americas	Mon, Sep 21 - 11:00 AM CDT	Register today

Earn a free AI Practitioner exam voucher — three ways to qualify:

- Complete any AWS Authorized Training Partner (ATP) live training, or
- Attend 80% of the live sessions on this platform, or
- Participate in AWS Partner Certification Readiness (APCR) during September–October.

Vouchers are limited to one per person, per exam type. You must be registered and complete activities using your corporate email.

Earn a free Kiro Pro license

Attend the live sessions and respond to the in-session poll to opt in — no additional forms or sign-ups needed. Show up, vote, and you're in.
